Dear Sir, Madam,

We are writing to you from Kasturbasevashram, Chaswad Ashram, Gujarat, India.

Given the COVID-19 situation in India, all 960 children have left to go back to their parents for the time being.

That being said, we have been informed by the Indian Government that they would like to use the 960 beds that we have in all 4 Ashrams of Kasturbasevashram to help those that are unfortunate to be taken ill by COVID-19. They need our beds and we need to help them as much as we can.

We need to get the beds cleaned for these arriving patients. We also need to open up the ashram kitchens for food preparation. We are lucky enough to be able to grow a lot of organic vegetables on-site at our ashrams. Kasturbasevashram have already started distributing Grains, Pulses, Vegetables and Milk to children, and Medicine to all those in need at the surrounding villages, but this alone will not be enough. We will need to buy more to help those in need.

We have already extended our assistance to the Police & security workers as well the Doctors, staff and patients of two nearby Civil Hospitals (Netrang & Dediapada)

In order for us to continue to help in this devastating situation, there is a desperate need for additional funding to run the day to day of the ashrams to help these COVID-19 patients. That is where you come in.

Please help in donating additional funds if you are fortunate enough to be in a position to help further. Every £1, \$1 and Rs 1, will help us all to support the patients, children and their families during this distressing time.

Bless you all.

Hitesh Patel.
